Disposable Bags

ORB3426 & SPL1814

High Heat Oven Bags & Pan Liners

Our high temperature nylon oven bags and pan liners save cooking and cleaning time while increasing profitability. These bags are made from heat resistant nylon and are completely safe for use in the oven, microwave, slow cooker and steamer at temperatures up to 400°F. Since there is no direct metal-to-food contact, our pan liners prevent baked-on food from sticking. They also eliminate the need to heavy clean pans while reducing waste from dried-out or burned-on foods.

BPB2135

High Heat Oven Bags & Pan Liners

- No more wasting time scrubbing pans
- Easily sanitize pan after removing the liner or bag
- Reduce waste and make clean up a breeze
- Help to prevent cross contamination
- Available in a variety of sizes to fit standard pans

Food Storage Bags

Food Storage Bags

ACR's high quality bags are ideal for all your food storage needs. Perfect for portioning, storing and packaging, our line of high quality food bags make food storage easy. Offered in low-density and high-density polyethylene, these food storage bags meet FDA requirements for food applications. Functional packaging designs allow for smooth dispensing in both flat pack and roll pack options.

High Density Food Storage Bags

- High tensile strength that prevents rips and tears
- Protects to keep food fresh
- Clear bag for easy recognition of contents
- Perfect to store almost any kind of food in freezers or refrigerator

Item	Bag Type	Dimensions	Dispense	Thickness	Pack	Weight	Cube

FRY OIL FILTRATION

Proper filtration is the most economical way to extend the life of frying oil while improving the quality and taste of fried foods. ACR offers a variety of filter cones and holders for manual cooking oil filtration. We also feature a range of oil filter disposable sheets, envelopes and discs in an array of dimensions and flow rates that fit various manufacturer's fryer brands.

Fry Oil Filtration

Fry Oil Filter Papers

- Dramatically increase the life of your fryer oil
- Increases economic efficiency as it costs less to filter than to replace oil
- Improves safety by promoting the use of the machines' automatic filtration systems

Measure width and length or diameter of the filter to the outermost points.
Note any hole in the filter, the location of the hole and the diameter of the hole.

Sheets & Envelopes

1. Measure length and width
2. If a hole is present:
 - i. Measure across the opening of the hole to determine the diameter
 - ii. Sheet: Measure all sides to the outside edge of the hole to determine its position
Envelope: Measure from the closed or stitched points of the filter to the edge of the hole
 - iii. You should have three measurements for the hole position when you've finished
 - iv. If measuring a hole on an envelope, make a note if the hole is through one side or passes through both sides of the filter

Discs

1. Measure the diameter of the disc
2. If a hole is present:
 - i. Measure across the opening of the hole to determine the diameter
 - ii. Measure all sides to the outside edge of the hole to determine its position

Cones

1. Measure the radius of the cone
 - i. Measure from center to edge to determine the radius of the cone

GLOVES

ACR has the disposable glove style, fit and function for every need in the foodservice, janitorial and sanitation industries. Choose from our extensive variety of gloves that have been specifically engineered to protect against spreading foodborne illness, contact with environmental/bio hazards or chemicals and the risk of puncture.

Hybrid Gloves

ACR's Hybrid gloves are the industry's first hybrid, 100% recyclable synthetic powder free gloves designed for enhanced fit and flexibility.

- More elasticity than vinyl, resulting in a snug fit
- Patented diamond pattern and tapered cuff provides superior dexterity and grip
- Manufactured in reduced smog facility that recycles excess material
- PVC, phthalate, latex, vinyl, carcinogen and cornstarch allergen free
- FDA approved for foodservice
- 100% recyclable with plastic bag or film recycling
- Meets California Prop 65 regulations, and when not recycled, will take up 50% less landfill space than other gloves due to their

thin composition

Application:

Gloves

Hybrid Gloves

ACR Hybrid,
Diamond Grip 3299 Series

The 3299 Series Hybrid Gloves are 100% latex free and PVC free. They are constructed from 100% recyclable materials, now feature diamond sure grip texture and a contoured cuff.

C2 Hybrid, Gen 2.0
3499 Series

The C2 Generation 2.0 Hybrid Gloves are 100% latex free and PVC free. They are constructed from 100% recyclable materials and have an embossed finish.

C2 Hybrid, Gen 3.0,
Diamond Grip 3699 Series

The C2 Generation 3.0 are 100% latex free and PVC free. They are constructed from 100% recyclable materials and have a diamond sure grip texture for better grip.

C2 Hybrid, Heavy Duty,
Diamond Grip 3999 Series

The Heavy Duty Hybrid Gloves are opaque in color, 100% latex free and PVC free. They are constructed from 100% recyclable materials and have a diamond sure grip texture for better grip.

Gloves

Verge-Med - 650 Series

Nitrile Gloves

Made from synthetic latex, ACR's disposable nitrile gloves provide a high level of dexterity, flexibility and comfort for extended use.

- Offer excellent puncture and tear resistance
- A top barrier protection against common cleaning chemicals
- Ideal for fast food operations and institutional use
- Provide superior resistance to citrus oils and fatty meats

Verge-Med™
650 Series

ACR's Verge-Med Nitrile Gloves feature an exam grade, powder free design. They are 100% latex free and are suitable for people with latex allergies or sensitivities. Perfect for doctors, dentists and healthcare workers, ACR's Verge-Med Nitrile Gloves are textured and offer a confident grip when holding medical instruments.

Black Widow™
1400 Series

Black Widow™ Nitrile Gloves are strong, exam grade and powder free gloves that are a good option for tattoo artists and healthcare professionals. They are 100% latex free and optimal for people with latex allergies or sensitivities. Black Widow Nitrile Gloves' textured construction provide a confident grip when holding medical instruments and have a black color to allow discrete visibility of blood and ink.

Gloves

Chameleon™ - 1200 Series

Synthetic Gloves

ACR disposable Synthetic Gloves are an affordable alternative to latex gloves. They have the same look and feel as latex gloves and provide a snug fit with a loose beaded cuff.

- Made of a PVC blend – polyvinyl chloride – petroleum-based material
- Have more stretch than vinyl
- Perfect for delicate tasks requiring flexibility and fingertip sensitivity
- Contains ZERO latex proteins
- Ideal for those who are latex-sensitive and work in fast food operations and institutions
- Use for prep work, slicing, grill line, cake decorating, dough handling, garnishing, and prep
- Available in both powder free or powdered
- Contains USP absorbable dusting powder for optimal tactile sensitivity

Application:

Ambulance

Doctor's Office

ERs

High Risk
Medical Environments

Chameleon™ 1200 Series

Designed to be a latex glove alternative, Chameleon PF Stretch Synthetic Exam Gloves are exam grade, powder and 100% latex free. They are a great choice for those looking for heightened sensitivity and a good stretchy fit. Chameleon PF Stretch Synthetic Exam gloves are suitable for people with latex allergies.

Gloves

Vinyl Gloves

More durable than poly, vinyl gloves are closer fitting for medium duty tasks requiring good sensitivity. Latex free, ambidextrous and flexible, their beaded cuffs provide maximum strength and durability and offer excellent wet and dry barrier protection.

- Can be used near a heat source
- Protect hands in light cleaning situations
- Made of PVC — polyvinyl chloride — a petroleum-based material
- Available both powder free and powdered with a sterilized cornstarch for ease of donning and absorbing moisture during wear
- Powder free vinyl available for operators who want a cleaner work area and for workers whose hands dry out from extended use
- Use for handling sliced cheese and meats, prep for fresh squeezed juice, pies, pizzas, salads, tacos, burritos and more

Sensi - Flex™ 500 Series

Sensi-Flex PF Vinyl Exam Gloves are made with an advanced PVC formation that gives our lightweight, medical grade vinyl gloves a slimmer profile. Sensi-Flex PF Vinyl Exam Gloves are 100% powder and latex free and a great option for nursing homes, care facilities and general medical use.

BC100NBS

Headwear & Hair Restraints

ACR's comprehensive disposable headwear, hairnet and beard protection line provides an economical and practical solution that will help your operation comply with FDA Food Code 2-402.11 regarding safe food handling and preparation standards.

Our wide selection of chef hats, caps and beard protection styles are constructed with high-quality materials. They are ideal for use at a variety of establishments.

Beanie Caps

ACR's beanie caps are lightweight, breathable, disposable and a great alternative to expensive cloth or rarely washed baseball caps. Our beanie caps will help maintain a food safe environment in your restaurant, kitchen, food truck, wholesale, catering or food processing environment and give a contemporary style to your kitchen or serving staff.

Headwear & Hair Restraints

Hairnets

Latex free nylon hairnets offer a sanitary food barrier from hair contamination. Featuring a comfortable fit, the breathable fire-retardant nylon netting is nearly invisible and helps avoid unsanitary contamination.

Honeycomb Style Hairnets

- Made of soft nylon and are a strong, comfortable barrier from hair contamination
- Designed to provide less material shedding while blocking particulates for added protection
- Inner poly bag packaging

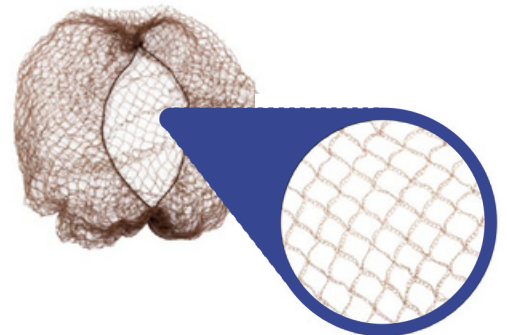

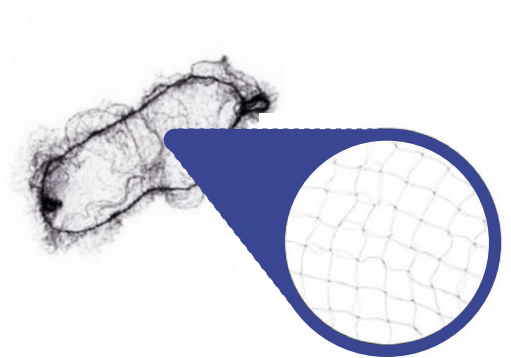

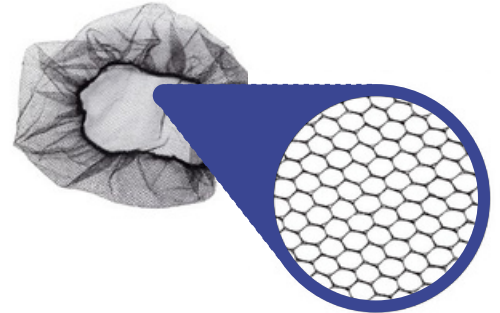

Invisible Style Hairnets

- Latex free, 100% nylon heavyweight hairnets
- Comfortable and sanitary food protection barrier from hair contamination
- Each piece individually packed in a paper sleeve inside a dispensing box

KIDS' PRODUCTS

Kids can have a great deal of influence on where parents decide to dine out. It is important for restaurant operators to appeal to their younger guests with amusing mealtime essentials like color pictures and activity sheets. If the kids have a fun experience, so will their parents, and the whole family can enjoy quality time in your restaurant!

Paper Food Containers

ACR's Paper Food Containers offer restaurants, hotels, cafeterias and other food service locations reliable and portable food serving options for their customers. These containers are perfect for serving a wide variety of food items such as soups, stews, pasta, fresh fruit, ice cream, and frozen yogurt. Combination and bulk options are available.

Containers:

- PE coated inside (white containers are also coated on the outside)
- Available in Kraft or white
- Leak- and grease-resistant
- Size options: 8oz, 12oz, 16oz, 32oz
- Combo pack containers feature a shorter, bowl-like design

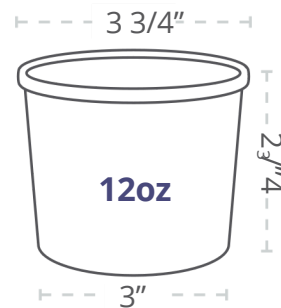

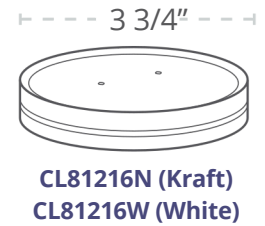

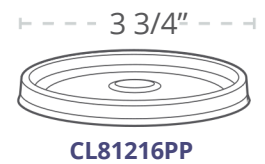

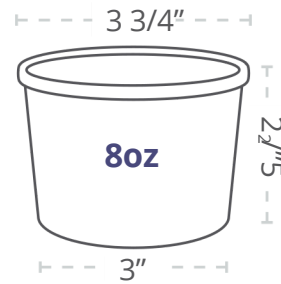

Lids:

- Recyclable polypropylene, Kraft or white paper options
- Vented lids
- Three sizes available
- Leak- and grease-resistant
- Combo and bulk container lids are NOT interchangeable

Folded Take Out Boxes

ACR's folded take out boxes are great for lunches, entrees, or desserts to go. Made with poly-coated interiors, these are not only leak- and grease-resistant, but are strong enough to hold heavy foods, sauces and gravies. Folded take out boxes are cut-resistant and open wide to allow easy access to food then close tight to cover food. These boxes help keep cold food fresh when stored in the refrigerator. With the convenient one-piece design, no assembly or lid inventory is required. ACR folded take out boxes are available in a variety of sizes and colors to accommodate every item on your menu.

RPWB1918HD and TBRH2214HD

Bags

ACR poly take out bags are ideal for use in grocery stores, retail shops, restaurants and convenience stores.

Multilingual Take Out Bags

- Supports a variety of take out needs from small single take out boxes up to 2 full size steam pans for catering
- Large flat bottom designed to allow containers to sit flat for extra stability during transit
- Made from high density polyethylene (HDPE), higher heat threshold compared to low-density polyethylene (LDPE)
- Can be ordered as die cut or rigid handle shopping bags, t-shirt bags or wave top bags

Item	Description	Dimensions	Pack	Weight	Cube
RPWB1918HD	Wave Top Handled Shopping Bag	19" x 18" x 9½"	1/500	13.9 lbs	0.35
TBDC1210HD	Die Cut Handled Shopping Bag	12" x 10" x 17"	1/200	12.7 lbs	0.50
TBFB1110HD	Flat Bottom T-Shirt Bag	11½" x 10½" x 19"	1/250	9.4 lbs	0.45
TBRH1410HD	Rigid Handled Shopping Bag	14" x 10" x 15"	1/100	18.1 lbs	1.26
TBRH2214HD	Rigid Handled Shopping Bag	22" x 14" x 15"	1/50	17.4 lbs	1.39

Twisted Handle Kraft Paper Bags

- Ideal for foodservice, curbside, carryout and delivery
- Available in the 4 most requested sizes
- Sturdy twisted handles
- Made from recycled materials and 100% recyclable kraft paper
- Keep items secure during transport

Item	Dimensions	Pack	Weight	Cube
TBTH13717	13" x 7" x 17"	1/250	37.5 lbs	3.06
TBTH13713	13" x 7" x 13"	1/250	33.5 lbs	2.50
TBTH12915	12" x 9" x 15¾"	1/200	35.3 lbs	2.21
TBTH141015	14" x 10" x 15¾"	1/200	44.1 lbs	2.57

- Accommodates 4 9" containers
- Made of extra strong low-density polyethylene unlike many lower quality high density polyethylene wave style bags
- Features sturdy carrying handles and is designed to sit open on a counter for convenient and easy packaging
- The large bottom allows containers to sit flat, providing extra stability during transit

RPTYB6

RPPBB6

- Carry take-out orders and store items with ease
- Designed to easily pack items
- Choose from a variety of sizes and styles or create your own custom design

TOWELS & WIPES

ACR offers an array of food service towels for keeping your table surfaces and kitchen clean.

Also available are bath tissues, towels and gentle personal hygiene options for bathroom sanitation.

Food	Service	133
Towels	Wipes	134

Towels & Wipes

RP11550

Foodservice Towels

From wiping sauce off tables to cleaning debris around kitchen countertops, ACR's disposable non-woven towels make short work of dirty tasks. These extraordinarily durable towels are soft to the touch with increased thickness and absorbent material designed for multi-use, even large spills. Multi-color options make it easy to keep wipers separate based on specific usage.

Janitorial

Diamond Towels

RP11550, RP11490

- Quickly and effectively clean spills off tables, countertops, glass and more
- Lightweight, wet wiping towel
- Improved absorbency

Medium Weight Towel

RP11553

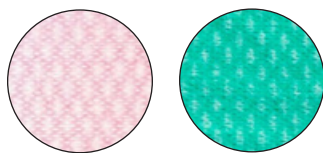

- Increased thickness and absorbency provide ideal cleaning of sizable spills
- Soft and strong for general cleaning and light wet wiping tasks
- Easy rinse and washing machine safe
- Durability designed for multi-use

Catch All Towel

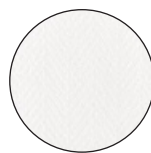

1317-200A

- Great for wiping spills and can be rinsed and re-used
- Non-woven towel used for general cleaning
- Economical option

TB-32-NPFA

Tableware

ACR offers a wide selection of tableware, including plates, bowls, trays, forks, knives and spoons. Disposable tableware makes preparing for any event easy and cost-effective. Eco-friendly and compostable molded fiber options are available for those looking to go green, and do not contain any intentionally added PFAs.

Plates & Lids

- Perfect for takeout, food trucks, catering events, weddings and more
- Molded fiber bowls are a perfect green solution that is both compostable and disposable
- Perfect for serving appetizers, main dishes and sides
